

Discover The Possibilities™

DirecTV HR Module Setup

About:

DirecTV provides HD quality TV with their cable boxes. Record and watch any show in style.

Setup Communication:

DirecTV boxes are equipped with network capabilities (Not all models). These boxes are controlled over TCP/IP on port 8080.

Setup in Compass Navigator:

One module is required per DirecTV Box. After adding the module, please enter the IP address of the cable box. In Zone Construction, place the module as a video source. Once placed, head over to Controlling Flow and place the DirecTV module in the System Designer.

Supported Models:

- HR-20
- HR-21
- HR-22
- HR-23
- HR-24
- HD-DVR

Setup Complete:

Upload and update project for use.

Control:

Compass Control offers

- Cablebox Controls
 - Playback Control
 - Channel Control
 - Function Control
