

Discover The Possibilities™

DuneHD Module Setup

About:

DuneHD provides smart media content into an all-in-one blu-ray player.

Setup Communication:

DuneHD boxes are equipped with network capabilities. These boxes are controlled over TCP/IP on port 80.

Setup in Compass Navigator:

One module is required per DuneHD Box. After adding the module, please enter the IP address of the box. In Zone Construction, place the module as a video source. Once placed, head over to Controlling Flow and place the DuneHD module in the System Designer.

Setup Complete:

Upload and update project for use.

Control:

Compass Control offers

- Blu-ray Controls
 - Playback Control
 - Function Control
 - Numerical Pad
 - OSD Controls
