

Discover The Possibilities™

HAI Omni Pro II

Read Me

Setup Controllers:

HAI is integrated in Compass Navigator. The module, driver, and library will be imported directly from the HAI Configuration. Please go to “Setup Controllers” Tab and jump down to Add HAI System.

Please refer to HAI_Manual.pdf for importing HAI into Compass Navigator.

Control:

Compass Control offers

- HAI Control
 - Bi-Directional Feedback
 - Lighting Control
