

OPPO UDP-203 Player Module Available on the Compass Control®

OPPO UDP-203 4K Ultra HD Blu-ray player is now compatible with the Compass Control® System, the first fully integrated major control system built from the ground up to use iOS & Android devices – as its backbone.

Key Digital has developed a driver and a pre-configured GUI template for their Compass Control® system to interface with OPPO UDP-203 4K Ultra HD Blu-ray player. Compass Control® system provides UDP-203 users with iOS/Android access to all Blu-Ray player features and controls with bi-directional feedback, while having an integrated control system under their fingertips with additional audio, lighting, climate, security, and automation controls.

Module Features:

- › Bi-directional Feedback
 - › Power Control
 - › Playback Control
 - › Volume Control
 - › Mute Control

Compass Control is a registered trademark of Key Digital Systems.
