## **Key Digital to Exhibit at Rocky Mountain AVX 2021**

— Key Digital will demonstrate its comprehensive line of AV over IP, presentation, digital video processing, switcher and connectivity solutions during the Denver trade event —

MOUNT VERNON, NY, November 1, 2021 – Key Digital, an award-winning developer and manufacturer of leading-edge digital video processing and video signal distribution solutions, will be exhibiting at Rocky Mountain AVX 2021, a two-day expo featuring manufacturers serving the AV, conferencing, presentation, education, digital signage, and streaming fields, along with IT, broadcast and satellite technologies. The event will offer over 100 booths along with workshops, Short Take seminars and inspiring keynote speakers. The expo is being held Wednesday, November 3 and Thursday November 4 at the Crowne Plaza DIA in Denver, Colorado. Registration will be available on site for \$15.

Key Digital personnel will be on hand during Rocky Mountain AVX to demonstrate and discuss its comprehensive range of AV over IP, presentation, digital video processing, switcher and connectivity solutions that deliver industry-leading quality, performance, and reliability for corporate, bar and restaurant, digital signage, education, government, and house-of-worship applications.
