Please complete and return this questionnaire via email: sdg@keydigital.com

Distances: Max distance utilized, so the correct extender is specified.

Resolutions: For example: 4K or 1080p.

Control: How will the devices be controlled and by what format: IR/RS-232/TCP-IP?

Notes: Provide any additional details about system requirements:

Approval: *I confirm that the supplied information above is a full and complete description of any connectivity pertaining to all source and display equipment connected. In the case of a change in wiring/connectivity, I understand and agree that the provided Key Digital schematic no longer carries any guarantee of functionality or operability.*

Name _____ Title _____

Signature _____ Date _____

*Enterprise AV™ over IP and Compass Control® Pro products are available to certified resellers only. Certified reseller must still hire authorized Key Digital® Management Software™ Pro and Compass Control® Pro professionals or program at their own liability. Key Digital System Design Services are ONLY FREE to Authorized Key Digital Dealers, Resellers and Distributors purchasing system-specified products. Key Digital has zero-tolerance policy concerning dealers & distributors who are engaged in "bait & switch" tactics via requesting FREE system design services and then substituting with non-Key Digital products. This scenario violates Key Digital policy and agreements, and such dealers will be invoiced \$1,500 for SDG service which must be paid immediately.
